*Welcome to the

Brianna - born  
17th April 2015.*

## I'm not sure what happened to April...

### **Congratulations to Venna and Fred Buyinza...**

Fred who is the Principal of the Fruits of Hope Academy in Kigali Rwanda and his lovely wife Venna have welcomed into the world their fourth baby girl little Bukundwa Brianna. Although he wasn't too keen he did have the privilege of being there with Venna this time as

Brianna was born. I think he has decided he will stick with Teaching and not take up medicine.

### **A few more contacts...**

I have had a few people make arrangements for me to share the Rwanda story at their own

churches. At the end of May I will be visiting Menai Baptist church for their event of showing the 'as we forgive' movie and then I will have the opportunity to share how the country of Rwanda is moving forward and some of the work we have been doing.

There are still plans being confirmed for me to speak at a church in Canberra in June and just yesterday I was asked to share at a ladies event at Riverwood Presbyterian church in July.

If you have events coming up and you think the story of Rwanda may be interesting to tell please know as I'd be happy to share the story.

### **April Holidays...**

I made a last minute decision to make a quick trip to Florida USA and spent a lovely ten days with three delightful young sisters who are 88, 90 and 93 years young and there was only one person who had to put their glasses on to read the menu - and that was ME!!

Do not be anxious about anything. In every situation, through prayer and petition with thanksgiving, tell your requests to God. Phillipians 4:6
