JUNE 2015

ISSUE SIX

I'm not sure I will ever make a living out of being a preacher or a farmer but I am happy to give anything a go just once, even -30C!

June Jaunts...

So now June has come and gone...

I guess June for me has been a chance of catching up with family and friends. For those of you who remember I spent two years out in Bathurst when I went to Uni. So I visited again on the June long weekend and thoroughly enjoyed my farm life experience once again. My job was to pick up the lambs and pass them on to farmer Merv to do what farmers do to little lambs.....baaaaa!

My eldest brother phoned up one Friday afternoon and said he was going to be home for the weekend from WA, although we weren't all together there was certainly a few laughs around the dinner table! We missed you Stu!

Tuggeranong Baptist Church You may recall back in March I spoke at a Girls' Brigade council meeting. Well from that contact a friend of mine made contact with

her church who not only asked me to just speak at their church but also asked me to give the whole sermon! This was not exactly something on my bucket list of things to do but certainly stretched me into a new realm of possibilities. Thankyou Tuggeranong Baptist church it was certainly lovely meeting you all and fellowshiping alongside you.

There was no snow in June! A friend of mine will tell you the first time she met me she asked why had our Rwanda team changed their dates from July to September and my answer was so that I could snow ski! With the opportunity to speak in Tuggeranong in the ACT I figured I was half way there, so I journeyed on from Tuggeranong to Cooma. We decided against skiing on the Monday as there was 0cm of natural snow and only man made strips of snow under the chair lifts. So Tuesday was to be the day we would toboggan with the children. I think they had a great time, I spent the day on the lounge with an ice cream container, a blanket and a very caring dog. So, no I didn't get to see any snow again this season

For you need endurance
in order to do God's will
and so receive what is
promised.

Blackieonamission.com If you should look at my website you will see that it is sitting on 88%. One of the decisions we have made to help me get to Rwanda a little quicker is to take the car out of my budget, therefore relying on foot or public transport. I trust that a car may well be something that I can work towards in the future. Stay tuned and I will keep you updated as to my estimated date of departure.

Fred Buyinza in Australia Fred will be in the Sutherland Shire on the weekend of 17th - 19th July. If you would like further details of these events please email me.

To ensure my longevity of staying in Rwanda I'm looking for supporters to sign up for a second year...would you consider it?

Fred in Australia

There will be two opportunities to meet up with Fred, on Friday 17th July in the Scylla room at Como Hotel and at Caringbah Baptist Church on Sunday 19th July during both services 9:30am and 6pm.
