

# MERRY CHRISTMAS

Flora and I would just like to wish everyone a very happy and blessed Christmas. We trust that the time you spend with family and friends will be rich with memories made. We would like to take this opportunity to say that this time last year we had no idea what 2016 was going to look like for either of us, but we have peace in knowing that God knew His perfect plan for us before we even thought about it. We would like to say an enormous THANKYOU to everyone who supported us through prayer, through kind words via emails and facetime, through finances, through sending parcels and letters, through visiting us - we have had the most wonderful year and every moment of every day has been cherished and a massive blessing to both of us. We are believing that all paper work we need to do for Flora to get a Visa, will come through and we will have an Aussie Christmas together for 2017.

Please keep in touch - we'd love to hear from you....
